"We have two Jerseys at Storrs now, and are getting very good renow, and are getting very good results from them, as experimental obfects. Their milk is up to the average gects. Their mink is up to the average and the cream tests up to standard. We hope to have a large barn at the college soon and if we do, we will need four or five good head of Jersey stock for breeding and experimental

purposes.

"It seems to be the desire of dairymen in this state to know the score of their product. Storrs may run scoring exhibits four times each year, and to have a list of questions sent out to be returned, answered with the sample to be scored. The object is to raise the standard of market milk and hence to secure the highest prices for the product, according to its food value. We may run the first exhibit about July 1. "It will be an easy matter to get

Lasting Benefit From Duffy's

This lady suffered a long time from Bronchitis with no relief. She finally used Duffy's with great success. Several years age she wrote as follows:

"For some time I was a sufferer from bronchitis and spent a great deal of money doctoring, until I heard through a friend of the wonderful merits of Duffy's Pure Malt Whiskey. Early in the fall I began taking it and since have been entirely free from the bronchial attack. I consider it my duty to thank you but have not enough words to say in praise of this wonder-ful Pure Malt Whiskey as a medicine that is good for everyone."-Miss Mae

Rodgers.
Today she is well and strong with no return of bronchial trouble, as her recent letter proves: "My health is perfect. Am entirely cured of bronchial trouble, but still continue to use Duffy's Pure Malt Whiskey as a tonic, and I recommend it to all my friends."—Miss Mae H. Rodgers, 202 S. Grove St., E. Orange, N. J.

Pure Malt Whiskey

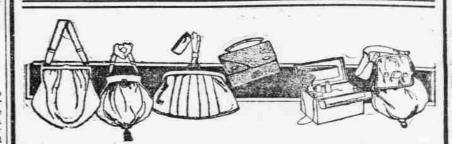

is a life-sustaining agent in cases of emergency which no family medicine chest should lack. It is an absolutely pure distillation of clean, selected grain, carefully malted and so processed as to remove, as far as possible, all injurious elements. By its salutary effect upon the digestion it enriches the blood and builds body and muscle, and in the prevention and relief of coughs, colds, and stomach troubles it is very dependable. It makes the old feel young and keeps the young strong and vigorous. Heed the advice of thousands—
